

INTERNATIONAL FLAIR

In the great Australian tradition of taking our quality products into international markets, Luci DiBella has launched her celebrated gown label overseas. International buyers in the most up market bridal boutiques in the USA, UK and Ireland appreciate her distinctive styling, her choice of luxurious fabrics together with her focus on ensuring the highest quality make of each gown. Her foray into overseas markets is a great win for Australia and our talented designers. Contact Luci DiBella 03 9500 2148, 02 9969 1477 or www.lucidibella.com.au

take us to thailand

The founders of Take Us To Thailand specialise in arranging stylish, innovative and personally tailored weddings in Thailand. With their backgrounds in corporate and high end hospitality and events management, Take Us To Thailand assist couples in relation to all aspects of a destination wedding; whether a dream beach or tropical garden wedding. Take Us To Thailand have exclusive arrangements with Thai providers and only recommend venues that the directors have personally visited and loved. Their attention to detail ensure that they take the time to match the venue that best suits a couple's style, budget and personality.

new home

With the success of the Papier D'Amour boutique, designer Phoebe Gazal has taken larger premises just two doors from the original shop! The Papier D'Amour range of simple and elegant overprinted stationery offers brides the opportunity to purchase couture quality stationery in an affordable price range. Brides can also be inspired by the colours and textures in the boutique and Phoebe's original designs for wedding favours, candles and place settings. (RIGHT: Embossed invitation.)

Now located at 8 Cross St, Double Bay

Contact Papier D'Amour on 02 9362 5200 or www.papierdamour.com.au
